Plan your vegetable garden now

TOMS RIVER - Spring is coming and it is time to start planning your showpiece gardens.

The Ocean County Master Gardeners will present a program to help you with your vegetable garden 1:30 p.m. Monday Feb. 22 at the Stafford library branch, 129 N. Main St., 609-597-3381.

Master Gardener Berry Jones will provide expert tips on getting the most out of your vegetable garden, including which varieties to select, their care, and pest control.

In addition, the Rutgers Cooperative Extension Master Gardener team will answer your questions before and after the talk. Bring in your diseased or dying cuttings for diagnosis.

The programs are free and open to the public, but registration is required. To register telephone the branch or go to the library website: www.theoceancountylibrary.org, click on the "Events & News" icon, then click on "Calendar of Events."
